GENERAL INFORMATION

The Council Camping Committee is concerned about the <u>individual</u> needs and the Unit's <u>individual</u> evaluation of the Scout for whom this request is made.

Generally, camperships are limited to no more than 50% of the activity cost. Each Scout, his family, or his unit should provide a minimum of 50% of the activity cost.

Camperships are not transferable, refundable and have no cash value.

Applications must be submitted no later than March 31, 2017 for all Boy Scouts and no later than April 7, 2017 for all Cub Scouts. Applications received after these dates will be reviewed but may not be granted due to limited funds.

All information in this application will be treated confidentially.

NOTICE OF AWARD

If awarded, a campership notification letter will be sent to the Scoutmaster/Cubmaster of the unit. Letters will be mailed by the first week in May. We desire that all camperships be awarded with a minimum of publicity. Campership moneys are applied directly to the units billing statement.

No promise should be made to the applicant that they will receive a campership award. Camperships are not transferable. Please notify the Camping Assistant immediately should a campership recipient not attend camp, so the award can be re-distributed.

INSTRUCTIONS

Please read all instructions completely and fill in all spaces. Do not include any additional paper.

CAMPERSHIP REQUEST

Please list the amount requested including costs provided by the family, and unit. Specific consideration will be given to those that include amounts of need, and not just the maximum amount allowable.

The ninth part of the Scout Law is "A Scout is THRIFTY." A Scout works to pay his own way. The Council Camping Committee is very interested in what the Scout has done to assist his family in providing him with this camping experience. This is a character building opportunity for the Scout to learn the importance of being THRIFTY.

FAMILY INFORMATION

Briefly, describe the general circumstances that require campership assistance for the child to attend camp.

UNIT ENDORSEMENT

This area is extremely valuable to the Council Camping Committee. Failure of the Unit to provide this endorsement may result in the application being denied or delayed until further information can be obtained.

Information should be provided in this area as to the Scout's participation in the unit fundraising activities like popcorn sales.

In many cases, the unit will be aware of the financial need of the Scout. Confirmation of this fact or further explanation is helpful. Do not merely repeat information already provided.

In keeping with the policies of the Boy Scouts of America, the rules for acceptance and participation in camp programs are the same for everyone without regard to race, sex, creed, color, national origin, age or physical limitation.
